At GEMS Wellington International School children will experience an enabling, inclusive environment which will inspire them to achieve and succeed. We encourage creative and critical thinking within the context of meaningful real-life learning experiences. As a fully inclusive international school, enabling a first class educational experience for students aged 3-18 years, we ensure that all students are supported and challenged to achieve success.

1 Introduction

- 1.1 At GEMS Wellington International School, we follow the National Curriculum for England and Wales up to Year 11 and the IB Career-related, IB Courses and IB Diploma Programme in Years 12 and 13. The academic year runs from August to June. Children can be admitted during the academic year if a place becomes available subject to KHDA guidelines. GEMS Wellington International School provides an outstanding education for children aged 3-18 years.
- 1.2 GEMS Wellington International School (WIS) prides itself on an admission policy that does not discriminate against any child or family. All children are welcome to apply to WIS, regardless of nationality, ethnicity or religion. WIS is a truly inclusive, international school.

2 Eligibility

- 2.1 Admissions to the Foundation Stage are accepted on a play-based assessment to determine the child's readiness for school. The assessment will focus on the child's personal, social and emotional development, their communication and language skills, and some consideration of their physical development.
- 2.2 Admissions for Years 1 through to Years 12 will be subject to a review of the child's most recent school report and may include further additional assessments and/or an interview. For Year 12 and 13 students will be mapped against the entrance requirements for both the DP and CP and their current requirements as mapped out in the IB Booklet for that year.
- 2.3 We work in accordance with KHDA age enrolment guidelines and aim to place children in the appropriate year group. **Children who are transferring from schools following a different curriculum are advised to contact our Registrar for advice prior to completing their online registration.**
- 2.4 English is the language of instruction and daily operation at WIS. We aim for all students to become fluent English speakers, able to read and write in English at an operational level for their age. WIS does provide English Language support for students for whom English is an additional language, but we do not have intensive support programmes for students. Parents will be encouraged to provide additional support, at their own expense, for English language learning activities.

- 2.5 WIS is a fully inclusive school and does accept children with some specific learning difficulties or moderate special educational needs. It is essential that parents disclose all information regarding their child's individual needs to ensure WIS can provide appropriate support. **Failure to disclose relevant information at the time of application may result in the withdrawal of a place.**

3 Admission Priorities

- 3.1 Admission will be subject to the availability of places in the appropriate year group. All children will need to meet the eligibility requirements. In addition, the school has a responsibility to ensure there is a balance of gender, academic abilities and nationalities.

9 Notice of Leaving

- 9.1 Wherever possible WIS requires one full term's notice that a child is leaving.
- 9.2 The KHDA issues regulations about the collection of fees depending on the period that a child has been at school and WIS adheres to these regulations in full.
